## Proposal Submission - Evolution of Communication and Social Media Strategy for NEIC

It brings us great pleasure to acknowledge and recognize the outstanding services of two of our fantastic Board members - Renee Scott and Joanna Rogers for going above and beyond their roles and responsibilities. Renee Scott (along with Athar Safdar) submitted a proposal for PMI's global Leadership Institute Meeting regarding "Evolution of Communication and Social Media Strategy for NEIC", which is awaiting consideration. This proposal entailed great deal of research and analytics support - and Joanna was instrumental in helping their submission in best possible manner. It brings real pleasure to congratulate them for job well done.

They will be recognized at our chapter monthly meeting on April 26th."
